

ERRATUM: “A NUMERICAL MODEL OF STANDARD TO BLOWOUT JETS” (2013, [ApJL](#), 769, L21)

V. ARCHONTIS AND A. W. HOOD

School of Mathematics and Statistics, St. Andrews University, St. Andrews KY169SS, UK

*Received 2013 May 17; published 2013 June 10*

Due to an error at the publisher, the value of the Reynolds number in the third sentence of the first paragraph of Section 2 is incorrect. The correct sentence should read, “Explicit uniform resistivity is included, with the magnetic Reynolds number  $10^3$ .”

IOP Publishing sincerely regrets this error.
